“I have just had a meeting with the group of training officers who sent their apprentices and graduates to your centre last month. Without exception they were all most complimentary about the way in which the course was run and have asked me to convey their grateful thanks for a very well delivered programme.”

“I am contacting you to pass on the thanks of all our team members who enjoyed an excellent day at Red Ridge last Wednesday. It proved a great success. As a team we would have no hesitation in recommending the venue for other teams to have a “Team Away Day”.

“... We were well catered for and the kitchen staff were very friendly and helpful. The accommodation was clean and warm.
